Real-life protection for real-world moments

Toshiba Service Plans give you the peace of mind you need by extending the manufacturer's limited warranty and protecting you against accidental damage from normal handling and use.

Benefits Include

Accidental Damage (if selected)

It's inevitable that accidents will happen, but that's all right! With protection against accidental damage, such as drops, liquid spills or other accidents, your product will be covered.

Complete Coverage

Toshiba Service Plans¹ cover 100% of parts, labor and return shipping costs to ensure minimal downtime and that your product will work like new for the duration of the Service Plan.²

Technical Support

Toshiba support specialists are only a phone call away and will help resolve most technical issues quickly and completely, guiding you step by step through the service process.

Toshiba Quality

Toshiba takes pride in the quality of our products and services, which is why we only use Toshiba-authorized technicians and certified parts.

Service Commitment

In the unlikely event we are unable to repair the product, we'll replace it or reimburse you an amount pursuant to the Service Plan terms.¹

Day-1 Coverage

Protection for your product begins the day of purchase so you can avoid out-of-pocket repair expenses from the outset.²
